BOARD OF HEALTH REPORT

A Child Health Conference was held October 22nd for the babies and preschool children of Rumney, in cooperation with the Grange and Parent Teacher Association, and Local Board of Health.

Eighteen children were weighed and measured, and given a complete physical examination by a physician—Dr. H. A. Cheney, of Campton.

Five children had no defects.

Two were placed under treatment.

The Conference was under the direction of Miss Vivian M. Jennings, State Board of Health Nurse for this district.

A Toxin-antitoxin Clinic was held in November.
 Twelve children were inoculated with the immunizing serum to prevent diphtheria.

This clinic was sponsored by the School Department, and Board of Health.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Rumney:

I am pleased to present my first annual report as superintendent of the schools of Rumney.

The Year 1928-1929

Total enrollment 174
Schools in session 177 days
Per cent of attendance 93.94
Cases of tardiness 200
Visits by members of the board 30
Visits by superintendent 108
Visits by school nurse 60
Visits by citizens and others 252
Cost per pupil in elementary schools \$75.95
Median for the state \$83.35

The Present Year 1929-1930

School	Enrollment	Teacher	Residence
Grammar	24	Lena M. French	Rumney
Primary	24	Ruth E. Russell	Hebron
Depot Grammar	25	Myrtle Tracy	Woodsville
Depot Primary	19	Mary R. Russell	Hebron
Quincy	18	Helen N. Merrill	Laconia
Lake	14	Mrs. Thelma M. McDonald	Rumney
Mont View	29	Beatrice Putney,	Brownington, Vt.
Total	153		

The figures in the tables above largely explain themselves. It is to be hoped that parents and pupils will make an earnest effort to reduce the number of tardy marks for this year. It is interesting to note that the cost per pupils in the Rumney elementary schools is less than that of half the other towns of the state.

For the most part the buildings are in good condition. There are however, a few things that might be

done to advantage. Improved toilets better protected from the weather at the Village and Depot, double roll shades in the Depot primary room, electric lights at Quincy and Mont View seem to be our most urgent needs.

Comfortable, well equipped, and attractive buildings are a great asset to any school system, but of far greater importance are the skills, habits, and ideals which the children receive from their schools. In this respect I feel that there is much good work being done. From personal observation and from reports it is evident that there is a growing interest in matters of hygiene. As children's progress in school rests so largely on their physical condition, parents are urged to cooperate in every possible way with the suggestions of the school nurse and teachers in all those things which pertain to health.

The two Parent Teacher Associations are continuing their activities as in the past. The slide given by the Village Association has been a great source of amusement to the pupils. The officers for this year are as follows:

Village Association

President—Mrs. Clifton Watts
Vice-President—Mrs. David Hall
Secretary—Miss Ruth Russell
Treasurer—Mrs. Frank Ford

Depot Association

President—Mrs. Lillian Ashley
Vice-President—Mr. Asa P. Colby
Secretary—Mr. Joe Ritchie
Treasurer—Mrs. Ella McGinnis

Respectfully submitted,

EDWARD A. JANES,

Superintendent of Schools.
